**MEMORANDUM ORDER**

**J. M. KELLY, J.**

**JULY 12, 1999**

Presently before the Court is Plaintiff Bobbie Sims' motion for enlargement of time to file a motion for reconsideration of the Court's June 7, 1999, Order. Plaintiff also apparently would like to challenge the Court's authority to issue a Scheduling Order supplanting the one Judge McGlynn originally entered. These requests have the regrettable features of being frivolous and delinquent, however, and perhaps in recognition of this Plaintiff's recently retained counsel refuses to bring this motion on Plaintiff's behalf. Moreover, Plaintiff has failed to offer any reason, compelling or otherwise, to explain why he failed to timely move for reconsideration or why the Court's grant of his motion would serve the end of justice. Plaintiff's motion (Document No. 70) therefore is **DENIED**.
